Supplier of Electronic & Home Appliances

Get the home advantage with Appliance Pacific

At Appliance Pacific we're passionate about forging and maintaining strong relationships. We are proud to be a preferential provider to the New Zealand Rugby Players Association.

Removing all the obstructions

Appliance Pacific takes the leg work out of selecting your appliances. Whether you are looking for appliances to complement your existing brands or you're after a complete range of appliances for a renovation or new build, our product knowledge and access to over 26 major brands means it has never been easier.

We have partnered with a large number of major worldwide brands and suppliers to give you the widest possible range of product and price choice. Among those brands are Panasonic, Samsung, LG, Fisher & Paykel and Miele, just to name a few.

Appliance Pacific has the best line-out

With over three decades of experience in the appliance industry, our vast product knowledge and sourcing capabilities ensure a quality result every time.

Locking in great prices

Free on-site consultation ensures that we have a thorough understanding of your design style, aspirations, requirements and budget.

Meeting your needs and budget is of the utmost priority to us. We can secure the best products for your requirements at

the best prices with up to 30% off RRP for members of the NZRPA.

Tackling delivery head-on

Our service does not end with simply sourcing appliances. We want to see you and your appliances up and running as soon as possible. Nation-wide delivery and installation options are all part of the service to ensure an effortless win from start to finish.

For more information or to book in your free consultation, contact Chris Peau on 021 190 1551 or call 0800PLAYER to speak with the NZRPA.
